Description

Project for exquisite modern design villa for sale located in Benissa in the well-established urbanisation Montemar. A contemporary villa with extraordinary sea views and views of the Peñon d'Ifach. The villa is designed on 4 floors which can be reached by elevator or internal staircase. The use of concrete panels on the facade differentiate this property from other new builds in the area.

Ceiling height sliding windows give access to the lovely terrace. A covered part for al fresco dining and lounging on a warm day. And an open terrace next to infinity pool to get a good tan. There is also a guest toilet on this level. The top floor houses 2 bedrooms en-suite and a large terrace. Basement level -1 comprises 2 more bedrooms en-suite and a laundry. Basement level -2 consists of a gym and wine cellar as well as a huge garage for 4 cars.

Air conditioning with climate control system, underfloor heating, automatic blinds and mosquito nets in bedrooms, basic alarm, automatic gate with separate pedestrian entrance, bathrooms and toilets with opaque or non-transparent windows and double glazing (climalit), outdoor shower (with hot / cold water connection).
