The main room of the property is certainly the lounge-dining room: an area exceeding 63sqm which houses several different environments, defined by the exquisite lighting, with a screen-projector that transforms the room into a wonderful movie theatre, a bright living room with access to a fantastic terrace of over 53sqm, with a spectacular porch, jacuzzi and fantastic sea views. The quality of this exclusive property is present in each and every one of the elements that form part of it: Travertine marble interior flooring, Ipe wood floors on the terrace, KNX home automation system, lighting project, central heating with radiators and air conditioning ducts. The home is complemented with a garage for several vehicles plus an annex storage room, all together totalling approximately 100sqm, accessed from the hall which is exclusively restricted to homeowners on that particular floor. Ocean Suites Altea is built on a plot of 13000sqm with perimeter fencing, restricted access control, vehicle checkpoint on entering and exiting, guest parking areas, extensive gardens with water features, gazebos and seating areas at the viewpoints, clubhouse, children's pool and a spectacular main pool with a water surface of 198sqm, with clear water that emulates a Caribbean beach: "An oasis of relaxation on your doorstep" All this, coupled with its exceptional location, with direct access from the Mediterranean motorway AP7-64, next to the Don Cayo Golf Club, near the La Olla beach and the Campomanes Marina, classifies this development as a Grand Luxury residential estate and makes it one of the most exclusive developments in Altea throughout the whole of the North Costa Blanca.
