Description

In Calpe, we find this little treasure with magnificent views of the Calpe sky line and its beautiful Peñón de Ifach and the sea.

The house has a south-east orientation which guarantees magnificent light during all seasons of the year. Surrounded by a well-kept garden we find the 8x4 meter pool area that has a lot of privacy on a terrace of about 70 m².

Around the house there are several more terraces as well as an area to store firewood for the fireplace.

There is also a garage as well as space to park 1 car outside.

It was renovated in 2013, so we are talking about a house that is ready to enter

It also has Wi-Fi installation

The owner has payed the project of ampliation to build second floor to get panoramic sea views
