Description

Project for modern villa for sale in Moraira

Licensed project for a beautiful, modern detached villa for sale in Moraira. Quietly located in the Vista al Valle area on a slightly sloping plot of above average size. Everything you need such as supermarkets, doctors, restaurants, etc. can be reached in a few car minutes. The property is a perfect combination of contemporary design, luxury and comfort. And all with a beautiful panoramic view.

The house's modern architecture is functional and stylish, with reinforced concrete and wooden accents giving the villa a warm feel. Large areas of glass provide plenty of natural light and an open atmosphere where outdoors and indoors blend seamlessly.

On the ground floor is a generous living room that connects to the dining room and open-plan modern kitchen. Fully equipped with Bosch appliances or similar. From this room you have direct access to a spacious (partly covered) terrace and the 36 m² swimming pool. Furthermore, on this floor there is a bedroom en-suite, laundry room and guest toilet. Stairs take you to the upper floor where there are 3 more bedrooms. The master suite has a walk-in wardrobe, private bathroom and a private terrace. The 2 other bedrooms share the third bathroom.

The house is equipped with modern techniques for sustainable living, such as an air-water heat pump system, underfloor heating and air conditioning (ducts). Insulation and first-quality windows ensure energy efficiency and comfort. Electric shutters, alarm, outdoor shower, bbq and parking on private land complete the picture. The villa comes with a landscaped garden with irrigation system.

Moraira is a charming coastal town known for its cosy, Mediterranean atmosphere. It has a nice sandy beach, an idyllic bay and a cosy marina. There is a wide range of restaurants, shops and terraces.
