Description

This is a great opportunity to purchase an ongoing business. (NOT THE PROPERTY) The premises are leased with a favourable monthly rent and a long-term lease available. The business has a good reputation and a loyal customer base in the local area. The current owner is selling due to personal reasons but is willing to provide training and support to the new owner. This is a great opportunity for an animal lover or entrepreneur to take over an established business with potential for growth and expansion. Don't miss out on this exciting opportunity, inquire today!

The store has been refurbished with all-new state-of-the-art equipment. There are three departments- Dog grooming, Pet supplies and a self-service dog grooming service. The current stock is also included in the sale. For more details please contact us. (Please note it is the leasehold that is for sale and the business, not the building)
