### Description

Villa Hebe stands out for its design inspired by the Ibiza style, a concept that fuses rustic elegance with contemporary comfort. Located in the quiet area of Marquesa V, this single-storey villa is perfect for those looking for a refuge in harmony with nature. In addition, the project already has the necessary license for its development, which guarantees the tranquility and confidence of those interested.

Its open design flows naturally between the interior and the exterior, with a spacious living room that connects directly to the terrace and the pool. The terrace offers the ideal space to enjoy the Mediterranean climate, while the large windows allow natural light to bathe the interior spaces, creating a warm and welcoming atmosphere.

The use of natural materials, such as stone and wood, evokes the essence of the Ibiza style. These details add a rustic touch that perfectly complements modern amenities, creating a comfortable and elegant environment. The rooms are designed to offer privacy and comfort, with direct access to the outdoor areas. The master bedroom, with access to the terrace, is an intimate refuge that invites you to rest.

Villa Hebe is ideal for those who value tranquility and seek a luxurious lifestyle in connection with nature. Its Mediterranean architecture, careful design and approved license make it an exceptional option to enjoy an exclusive and relaxing environment.
