Description

Beautiful villa with open views for sale in Benissa.

This property has just been totally renovated with great taste. It is located in a very quiet area only a few minutes from Moraira, Calpe and Benissa. In the heart of the Costa Blanca and only a few minutes from the Mediterranean Sea.

The plot is totally fenced and landscaped, it has some fruit trees like orange trees, lemon trees, etc.

The property is accessed through an automated gate that gives access to a large pergola for two vehicles.

The entrance to the property can be from the ground floor at the same level as the swimming pool or from the upper floor.

Downstairs we have a nice and spacious entrance hall leading on one side to the master bedroom with en suite shower room and dressing room. On the other side, a double bedroom with en-suite shower room.

The interior staircase leads upstairs to the living room with fireplace, the dining room with open plan, fully fitted kitchen and the two further bedrooms sharing a shower room.

From the living room we can go out onto a large naya from where you can enjoy the sun and the views.

From the dining room there is also access to the back of the house where there is a bbq area and the rest of the garden.

The property has gas central heating, air conditioning hot/cold, aluminium windows, pre installation of heated pool etc.

Ideal to enjoy the tranquillity of our beautiful region and at the same time be only a few minutes away from the beach and all amenities.
