### Description

Location, location, location! This very special villa is situated on a large flat plot on the highest street of Benimeit.

Although it needs some updates, the villa has great potential. Spacious bedrooms, unique bathrooms, a high-ceilinged living room with a gallery, a separate dining room next to the fully equipped kitchen, a large winter garden, and several spacious terraces. And how romantic is the shape of the pool?

There is ample parking space, another cozy covered terrace at the villa's entrance, and a beautiful garden with a fish pond.

Additionally, there is a sauna and a wooden garden shed. Central heating and air conditioning throughout the villa.

But most importantly: unbeatable panoramic sea views and optimal privacy. And the price... It's certainly worth the challenge!
